Dear Janet and Gentlemen:

As Bob and I indicated at the last meeting of National Counsel, our two firms have prepared a memorandum setting forth some tentative views on theories for defending the pending cases. A copy of that memorandum is enclosed herewith.

As we indicated at the meeting, this memorandum is not intended to be a definitive statement by Shook, Hardy and Arnold & Porter. Rather, it is a document which, hopefully, can provide a framework for further discussion. In that connection, we think it would be advisable to schedule a National Counsel meeting at some point in the near future devoted to a discussion of the issues encompassed in the attached memorandum.

With warm regards.

Sincerely yours,

  
Murray H. Bring
